- Title of the study program: **Slovak History**
- Study field: **2.1.9 Slovak History**
- Degree of the study: **doctoral study**
- Duration of study: **3/5 academic years**
- Degree: **doctor of philosophy (PhD.)**
- Guarantor of the program: **prof. PhDr. Vladimír Varinský, CSc.**

Scope of the study program

Units of the program cover advanced methodology of historical sciences, historiography, historical demography and historical geography in relation to Slovak history. The units are supported by the activities that prepare graduates for individual research. The program includes dissertation exam as well.

Profile of a graduate

The program aims at acquiring skills for individual scientific research in historical sciences, ability to solve research problems, to prepare, to elaborate and to review scientific projects both inland and outland. The graduates are able to lead and participate in various research initiatives and projects within the scope of history, but also they are able to lead in Civil Service, cultural and educational system etc.

Requirements on applicants

An applicant is required to have completed the Masters degree and submit a research proposal with the list of publications.

Faculty at the study program

Lectures and seminars are held by the selected lecturers from the Department of History at UMB and visiting lecturers from other both national and international institutions.
